Potential Leaders: Pray for people to attend who will want to be volunteer leaders. All types of people. All types of leaders. Pray that we would invite them.

Current Leaders: Pray that current leaders would sign up to attend and would be incredibly rejuvenated by the Summit. Pray that there would be great conversations and connection.

Committees and Donors: Pray for adults who are currently serving or checking out our mission. Pray for them to register and invite friends and to be moved to give their time, talent or treasure in some way as a result of the summit.

Speakers, Program, Music: Please pray for our speakers as they prepare talks - that the Spirit would guide and direct them. Pray for music team as they practice and chose songs. Pray for Program as they prepare and plan. For energy, insight, and deep love to abound in their work.

Kids: Pray for kids who will somehow be reached because people will be moved to serve from the leader summit. Pray for Kids who would not be reached except for what will happen that day in the hearts of people in the room at the Summit.

Partners in Ministry: Pray for the people coming who have high capacity to serve our mission in substantial ways. Pray for the Friday night event. Pray for Gail Obenour and Howard Freeman as they lead that time. Pray for the Saturday lunch/PiM track.

Program: Pray for all details of the Summit. No distractions. Jesus to be lifted high. Smooth Transitions. AV equipment to work well. Usher Team to welcome well. Pray for Bryan Reaume and Mariette Yost as they guide the day. Pray for speakers, program, music, kids, partners, committee, donors.
