Dear Summit Sponsor:

Thank you for helping Young Life/Greater NY “reach a world of kids” all over the Tri-State area.

You will help place caring adults into the chaotic lives of adolescents and equip those adults to proclaim the message that “God loves them.” Further, sponsorship helps you:

- Build brand awareness and name recognition among influential millennial leaders
- Meet face to face with ethnically, denominationally and geographically diverse leaders
- Generate goodwill with this loyal and influential constituency

We are asking individuals, companies, foundations and churches to consider one of the following packages:

The venue’s lobby has space for three booths for our Lead and Title sponsors.
