Young Life Glossary

Young Life- Organization that has worked with high school and middle school students in Fairfield County for over 40 years. Young Life offers students adult role models, safe places for social fun, and information about the Christian faith in a clear, fun and respectful way. Young Life is for every kid regardless of their beliefs, background, or spiritual involvement.

WyldLife- While “Young Life” is the name of the organization and our work in high schools, we make a subtle delineation with middle school work dubbing it “WyldLife.”

Club- Students gather for music, entertainment, social fun & a short talk.

Campaign/Cabin Times- Time when students gather for discussion, a closer look at the Bible, prayer, and Club planning.

Camp - Memorable getaways to a premier YL property
