Staff-

Attached is the current draft of the regional calendar for next school year. You can begin to plan your area and personal calendars based around these basic dates but know that we all need to give room for this schedule to "breathe." A few notes:

**UPDATED NOTES JULY 2010**

1. Mondays will still be considered our “regional training day.” We will have 3 different regional training groups this year:
   a. “First Year” Meghan Ryan, Michelle Perri, Marcel Hodge, Kenyon Jones & any additional full-time field hires. Led by Bryan Reaume.
   See calendar for dates. Group members and their supervisors will receive communication about these groups from group leaders.

2. Anything marked “MD” “Div” or “SLT” is NOT for the staff at large. The February 25-28 Men’s retreat is NOT for all male staff. Instead, it is just for Regional Directors.

3. In an effort to allow more family and part-time staff to attend Woodloch in May, we are changing the days from Sunday-Tuesday to Saturday-Monday. Please plan on driving early Saturday May 21 and then returning home by Monday May 23 in the afternoon. Please synchronize your weekend ministry calendar with this now. We also suggest you consider planning your family calendar around this so spouses/children can enjoy our time together with us!

4. To continue the spirit and benefit of the Committee Chair Summit, we as a region will be hosting our own Committee training day April 2. Please plan on at least one staff per area attending and pushing Committee chairs, key Committee members and new Committee members to attend. This day will be coordinated by Bryan Reaume.

5. The goal of the new mission-wide training offerings is that each staff attends 1 mission-wide training per year. This includes New Staff Training, Winter Training, and Area Director School. If you do not attend one of these, you are expected to discuss with your supervisor the best training offering to attend.

6. Weekend assignment teams are still pending so please remain available until further notice. If you have a pressing question when it comes to scheduling this weekend, please contact Bryan Reaume.
NOTES PUBLISHED IN JUNE 2010

1. For our staff times, we have kept two overnights...in October at Champion and in May at Woodloch (note the extended Woodloch dates to block off for now, we will narrow these dates later) and added staff days in January and March. To accommodate John Wagner’s travel time, these staff days are not on Mondays...they are on Thursdays. All staff are expected to attend all staff days/conferences.

2. On Oct 17, the Sunday of our first staff overnight, we will have our first ever training intensive for all those serving on weekend assignment teams! Details will be set by the idea is for everyone to get up to Champion early (leave after church) to join forces to pray, prepare and share best practices.

3. YL national has not decided on Committee Chair Summit plans for 2011 but right now are leaning towards moving this event to every other year. Accordingly, we would offer a regional Committee training day in the off years, starting in 2011 on April 2.

4. The Regional Leadership team is still in process of finalizing the details of our regional staff-training program. While details are still process, all staff who have not yet completed 3 years of intentional and consistent training groups, should plan on being part of a consistent training group next year. And, for the most part, these training times will be on Mondays so please continue to consider Mo our regional training day and keep that day as clear as possible.

5. Like this past year, YL will be offering the Training Timeline courses and accordingly, all full-time staff will be expected to attend one mission-wide training offering or some equivalent. Consult with Metro Directors for your choice.

6. Anything that has the word "potential" and or "???") is not totally confirmed but likely to happen.

7. As you build your area and personal calendars, remember to consult your Metro Directors and/or direct supervisor for they may have additional dates for your consideration.

8. Until further notice, all staff should consider themselves "available for duty" on all our main weekends: Leadership, Family, YL #1 an and WL #1 and #2. Once trip allocations and weekend assignment teams are set, it is likely staff will not be expected on all 4 kid weekends. (Leadership and Family remain expectations for all.)

9. Other than the Men’s Retreat in February, all items marked “Div” “SLT” or “MD” do not include the staff at large. These are dates for regional leadership team.
10. All calendar questions, clarifications, and recommended changes can be directed to me direct. We value your input and need your feedback to help set the most faithful calendar. Please provide such feedback by June 21.

11. I will circle back by end of the month to provide any master calendar updates.
