Glossary
Young Life/WyldLife- Young Life is the name of the organization that has worked with students in Fairfield County for over 40 years. “WyldLife” is the middle school (grades 6-8) program of Young Life that offers students adult role models, safe places for social fun, and information about the Christian faith in a clear, fun and respectful way. WyldLife is for every kid regardless of their beliefs, background, or spiritual involvement. There are no membership or enrollment requirements- kids just come as they are whenever they can!
The Garage- The main office and meeting space for Young Life and WyldLife events. It is located at 19 Vitti Street in New Canaan.
Leaders- Caring adults who enjoy sincere friendships with kids and run all events. They have been screened and trained to work with students.
Club- Students gather for music, entertainment, social interaction, a short message, and short discussion.
Cabin Time- Students gather for snacks, activity, and discussion about life and the Bible. Students can come Friday after school after they stop in town. Provides a well-coordinated, chaperoned Friday afternoon social activity.
Camp Trips- Kids experience adventure, and fun, at Young Life’s premier property Lake Champion in Port Jervis, NY. See details online. Spots are limited and fill quickly.
Family Events- Don’t miss the opportunity to see Young Life in action as parents.
