Young Life- Organization that has worked with high school and middle school students in New Canaan for over 40 years. Young Life offers students adult role models, safe places for social fun, and information about the Christian faith in a clear, fun and respectful way. Young Life is for every kid regardless of their beliefs, background, or spiritual involvement. There are no membership or enrollment requirements- students do not “join.” They just come to whatever whenever they can!

Leaders- Caring adults who enjoy sincere friendships with kids and run all events. They have been screened and trained to work with kids.

Club– Time when many students gather for music, entertainment, social interaction, and a short message.

Campaigners – Time when students gather for discussion, a closer look at the Bible, prayer, and Club planning.
